Minutes taken by	Natasha Mwamba (24167277)	Approved by	Daniel Kapira

1. Attendance

Name	ID Number	Attendance
Natasha Mwamba	24167277	Present
Daniel Kapira	23147045	Present
Gift Chewe	23144808	Present

All members were present.

2. Agenda

- Review progress on the ClassBookSystem program.
- Discuss code structure and use of methods.
- GitHub workflow demonstration.

3. Discussion

- The team discussed the need to include methods in the ClassBookSystem program, in order to improve structure, readability, and reduce repetition, rather than keeping all logic inline in main.
- Gift Chewe gave a demonstration on how to operate GitHub, covering the basic workflow for the team to follow when pushing updates.

4. Action Items

- Continue refactoring main logic (e.g., the booking and unbooking sections) into dedicated methods, following the same approach already used for displayMenu, viewAvailableClassrooms, and viewBookedClassrooms — Assigned to: all members.

5. Next Meeting

Date and time to be confirmed.
